HSBC Global Investor Immigration Services.

Only from HSBC.

There was a time when immigration simply meant boarding a ship and trusting an able crew to pilot you to a better world. Today, you can trust experienced professionals from HSBC to guide you through the world's complex immigration waters.

Reasons for moving abroad remain as enticing. Maybe you're someone with a passion to experience new cultures, meet new friends, live a new life. Or maybe it's for the business and career opportunities that abound in some of the largest, most stable economic markets on Earth.

Whatever drives you, these lands of opportunity offer you and your family a more secure and prosperous future. And HSBC Global Investor Immigration Services can help ensure a smooth transition for immigrant investors just like you.

London calling. As well as Vancouver, Geneva, Hong Kong and Singapore.

There are currently five leading destinations to which HSBC offers complete immigration and relocation services: The United Kingdom, Canada, Switzerland, Hong Kong and Singapore.

Whether you dream of dynamic 21st-century cityscapes, historic old-world charm, majestic mountains or tranquil countryside, these breathtaking lands are endowed with them all.

In addition, their residents enjoy the world's finest schools, healthcare systems, technology, business opportunities, career prospects, social life, freedom of speech and freedom of travel – and all can be yours. Which adds up to a wonderful and exciting opportunity for you and your family.

That's where we come in.

HSBC Global Investor Immigration Services One stop and you're on your way

With the most diverse global footprint of any bank in the world, HSBC Group is uniquely placed to offer you the all-inclusive Global Investor Immigration Services. Now all the global advantages and resources of one of the world's largest financial institutions are yours.

Global Investor Immigration Services is designed to take care of you throughout the immigration process and beyond – from guidance on your interview to specialist tax and immigration advisors, from relocation logistics to finding the best neighbourhood. No other institution in the world offers you such a comprehensive, one-stop immigration service that can relieve you of so much concern.

Wherever you're going, HSBC Global Investor Immigration Services has local networks on the ground, ready to work with authorities throughout the process on your behalf. Think of us as your personal advocate – able to save you all the time, trouble and stress of a personal application. In fact, during the past 15 years, we've helped over 5,000 families successfully relocate and begin promising new lives in the lands of their dreams.

A crucial time for financial assessment and planning

In addition to potential once-in-a-lifetime tax benefits, relocation is an ideal time to have professional re-examination of your estate, retirement and trust plans to ensure their continued validity and relevance.

As part of the HSBC Global Investor Immigration Services offering, our all-inclusive Private Banking or Premier services will provide you with your own dedicated Personal Relationship Manager. For added peace of mind, these specialists can help you make a seamless transition in the best possible financial health. Our team will be pleased to introduce you to one of them.

Attractive financing options

We understand that your assets may not be readily available as cash, or that converting them to cash may not always be your best financial option.

Should you prefer, HSBC offers an attractive range of financial alternatives designed to assist you in completing the government investment requirements.

What governments want

Governments of these jurisdictions have developed special programs to attract business professionals and affluent individuals for the benefit of their economies.

To qualify, several criteria must be satisfied. They typically include considerable business experience or standing, substantial worldwide net worth, satisfactory health and no criminal record. Our team will be pleased to explain these criteria to you in greater detail.

HSBC Group's strength, stability and global reach

A word about us. With over 10,000 offices in more than 80 countries and territories, HSBC Group provides a full range of banking and trustee services to high-net-worth individuals and families.

So, whether you have kids at school overseas or you're shuttling between home and a new foreign venture, our vast array of local and global services can make your life a more convenient and prosperous one.

From discretionary investment management to offshore banking, from international insurance to full-service or online investing, HSBC has the depth and breadth of experience to meet all your international banking needs.
